

FORGIVENESS PRAYER

Father, I lift to you _____ (person or situation). I forgive _____ for _____.
I forgive _____ for making me feel _____. I also ask, Father, that you forgive
_____ for doing these things to me and I ask that you forgive me for holding a judgment against
_____.

Father, I know that you do not need forgiving, but I forgive you for allowing me to be in these situations where I received so much pain. I also forgive myself for separating myself from your love and forgiveness in all my life situations. I ask now that you fill me with your love for these people, and for myself, and for the Lord Jesus Christ, who I believe is your Son, who died for me, was resurrected for me, and lives today for me. Please fill me with Jesus' love, peace, power, joy, forgiveness, and new life in him. Fill me with your Holy Spirit. In the name of Jesus Christ.
