

## PRAYER FOR PHYSICAL HEALING

Lord Jesus (or “loving Father”), we come to you with \_\_\_\_\_, as did the woman with the issue of blood who came to you, filled with belief in your love and goodness. We know that you love \_\_\_\_\_ and that you came into this world to save us from our sicknesses and infirmities that weigh us down. So now we ask you to send your healing power and your life into \_\_\_\_\_’s body. [Here specify what you are asking God to heal, such as the heart or a sprained ankle.] Jesus, we ask you to restore \_\_\_\_\_’s body to the way that you created it to function. Take the sickness out of \_\_\_\_\_’s body and replace it with your life, your health. Restore the motion and flexibility to \_\_\_\_\_’s body so that it can once again move with the freedom and strength you meant it to have when you created it.

If there are any unhealthy cells (such as cancer), We ask you to remove them: if there is any infection, we ask you to take it out of \_\_\_\_\_’s body and replace it with your health, your life. If there also are any spirits of infirmity causing or attached to this sickness, we command the infirmity to leave and go to Jesus Christ for him to remove and dispose of in his wisdom and mercy.

We also ask you, Lord, to take away any pain that is weighing down \_\_\_\_\_. Let him/her experience your presence and bring to \_\_\_\_\_ your presence and your companionship. Fill \_\_\_\_\_ with the joy of your presence and let him/her experience the power of your Holy Spirit to become fully alive. Glory be to the Father, the Son, and the Holy Spirit. Amen.
